

SWP COVID-19 PRECAUTIONARY MEASURES

(updated 25th March 2020)

- **ALL PATRONS** entering the shop will have their temperature taken prior to issuance of riding tags for riders and an **orange sticker** for non riders (Accompanying parents, friends, helpers etc)
- Patrons with temperatures reading **38.0 C & above** will be turned away. Patrons who refuse to have their temperature taken or are uncooperative will be politely asked to leave the premises.
- Only riders with valid riding tags will be allowed on the starting docks (System A, B & C). Patrons without tags will be politely asked to leave the docks.
- All riders are to queue at least 1 meter apart from each other on all docks (System A,B & C). Safe distance markers/boxes has been established. All Bean bags, lounge chairs & side tables will be kept to facilitate the queue markers.
- All Wake Gears (Boards, Bindings, Vests, Helmets) and personal belongings (bags, towels, footwear, water bottles) will not be allowed to be 'parked' or placed on the dock of System C.
- All rental equipments, boards, bindings, life vests & helmets will be sanitized/disinfected after use.
- Patrons at Coastal Rhythm Cafe without any riding tags or orange sticker will have their temperature taken & issued a **blue sticker**. Patrons with readings 38.0 C & above will be turned away.
- The Cafe will maintain a distance of at least 1 meter between tables & seats. Family members & groups who wish to sit together can continue to do so but should maintain a safe distance from other groups. The Cafe will only entertain groups of up to maximum 6 people.
- All SWP Crew will have their temperature taken when time-in & time-out. And will be sent home too in the morning if the figure reads **38.0 C & above**.

We welcome any feedback that will offer peace of mind during your visit to SWP. Please email to **admin@singaporewakepark.com**

All sorts of measures can be implemented but it's still up to our social responsibility to adhere them.

TOGETHER WE WILL MAKE A DIFFERENCE.

LET'S CONTAIN THE VIRUS WITH A COLLECTIVE EFFORT!
